The Department of Natural Resources will process each request upon receipt. Applicants will be contacted within five days of receipt of this mileage-based exemption request. If approved, an emissions exemption letter will be sent that you may submit to the Department of Revenue at the time of vehicle registration. Exemption information will also be sent electronically to the Department of Revenue.

The department is not responsible for any penalties associated with late registration due to failure to submit a mileage-based exemption request in a timely manner. The department reserves the right to investigate all mileage-based exemption requests. Fraudulent requests will not be approved.
